**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without competition, I would be stuck with slow AT&T internet. I now have gigabit fiber thanks to Sonic, and it's made a world of difference. I would hate to have to go back. I firmly support broadband competition. It's better for consumers and I don't understand what advantage there is if competition were to be eliminated.
